

Riding E-Bikes in Mammoth Lakes

WHAT YOU NEED TO KNOW!

Riding E-Bikes in Mammoth Lakes is a great way to enjoy a stunningly scenic landscape. E-Bikes are encouraged in some places but not permitted in others. Please be familiar with these rules to make sure all trail users enjoy their experience in Mammoth Lakes.

WHERE E-BIKES ARE ALLOWED

ALLOWED

- **All E-Bikes** are allowed on roads and streets.
- **All E-Bikes** are allowed on Inyo National Forest off highway vehicle (OHV) routes and roads included on USFS Motor Vehicle Use Maps. Google it or use: 
- **Class 1 E-Bikes** are allowed on all paved multi-use pathways. (Examples: Paved two-lane pathways around town such as the Lakes Basin Path and the Town Loop.)
- **Class 1 E-Bikes** are allowed in the Mammoth Mountain Bike Park, a fee based facility.

1	CLASS 1 E-BIKE	2	CLASS 2 E-BIKE	3	CLASS 3 E-BIKE
					
PEDAL ASSISTED MAX SPEED 20 MPH		NOT PEDAL ASSISTED MAX SPEED 20 MPH		PEDAL ASSISTED MAX SPEED 28 MPH	

NOT ALLOWED

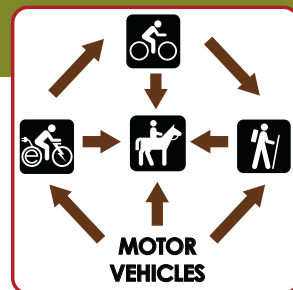

- **E-Bikes are NOT permitted** on any trail designated as non-motorized. (Examples: Mammoth Rock Trail, Mountain View Trail, Panorama Dome, Horseshoe Lake Loop, Duck Pass Trail, Mammoth Pass Trail.)

E-BIKE RIDING ETIQUETTE

PLEASE ENJOY THIS MULTI-USE TRAIL SYSTEM RESPONSIBLY

- **Always stay on the right-hand side of the road or path** - Pass on the left.
- **Respect motorized/non-motorized trail use regulations** - Check in with the Mammoth Lakes Trail System for clarification if you are uncertain about the status of a trail.
- **Yield appropriately** - Let your fellow users know you're coming and **beware of blind turns!** Anticipate other users as you ride around corners. E-Bike users should yield to all non-motorized users, regardless of the direction they are traveling.
- **Ride responsibly** - Respect all speed regulations and recommendations, and ride within your limits.
- **Plan ahead** - Know your equipment, your ability and the area in which you are riding and prepare accordingly. E-bike batteries can run out! Keep track of how much you have left. **DON'T GET CAUGHT WITH A DEAD BATTERY!**
- **Leave no trace** - Pack out at least as much as you pack in and pick up after your pets. Stay on existing roads. When a road is soft or wet, consider other riding options.
- **Never scare animals** - An unannounced approach, a sudden movement or a loud noise easily startles animals, including horses and cattle. Give animals enough room and time to adjust to you.
- **If you see this symbol, E-Bikes are NOT permitted and violations are punishable:**
